

Gourmet Seafood Dinner featuring the wines of Cloudy Bay

**Thursday 22nd October
at Restaurant 36 On the Quay**

To help celebrate Emsworth Seafood Week **19th – 25th October 2009**, Restaurant 36 on the Quay is delighted to present a special Gourmet Seafood evening hosted by and featuring the wines of Cloudy Bay. Cloudy Bay is one of the New World's truly iconic wineries, but what is perhaps less well known is that it also has sister wineries in other wine regions, and this is a wonderful opportunity to taste some of these stunning wines. The evening will begin with a glass of Dom Ruinart Champagne followed by a five-course gourmet menu paired with wines from Cloudy Bay or from one of its sister wineries. Wines will include :-

**Champagne Dom Ruinart Blanc de Blancs
Cloudy Bay Sauvignon Blanc 2008, Marlborough
Cape Mentelle Chardonnay 2007, Margaret River
Cloudy Bay Pinot Noir 2006, Marlborough
Bodegas Terrazas Afincado Tardio 2006, Mendoza**

A Very Special Offer for the Evening

As an added bonus for the evening, Cloudy Bay have released a further allocation of their famous Sauvignon Blanc and every table booked for this dinner will have the opportunity to order a case of 12 bottles if they wish. This is a unique opportunity as the wine is notoriously difficult to get hold of and supply usually exceeds demand.
